

BKT Internship Program

Our internships are a great way to find your way around the banking world, before committing to a career in it.

In addition to outstanding training and dedicated support, you'll get every opportunity to prove yourself, as you'll be working on live projects with real responsibility.

Key requirements:

- Students attending Master or Bachelor's degree
- A degree in any subject – Finance, Economics, Audit, Business, Marketing, Informatics, Engineering and Computer Science.
- English Knowledge
- Analytical skills
- Determination and an inquisitive mind-set
- High Communication skills

Interested candidates can send their CV at internship@bkt.com.al
