

## **CALL FOR APPLICATIONS FOR TRAINING STAFF MOBILITY**

*Exchange Programme with the Middle East Technical University, Ankara, Turkey*

Dear Colleagues,

We are now accepting applications for staff mobility (5 working days, 21-25 June 2021) at the Middle East Technical University (METU), Ankara, Turkey in their “International Virtual Staff Week”. Staff Week will be online but **one** nominated staff who will be funded to be physically in Turkey will follow the program from there using this great opportunity. However, the travelling of our nominated staff member to METU will be considered with regard to the Covid-19 situation.

*If more staff are interested in the program, you are more than welcome to apply as the training week will be held online.*

The selection procedure will involve two application assessments, one at UNYT and another one at METU. The Committee strictly adheres to the principles of non-discrimination, equal access and opportunities to mobile participants working in the fields of international cooperation, student/staff mobility (e.g. International Officers, Staff Responsible for Summer Schools, International Recruitment, Strategic Planning, International Career Offices, Erasmus+ KA1, KA2 & KA3 projects) and/or support services offered for international students. Successful applicants will be expected to engage in training activity at METU.

**Dead-Line for Applications & Application Items:** June 11<sup>th</sup>, 2021, 12.00, Albanian time (GMT+2).

**1) CV. 2) Copy of Passport/ National ID Card 3) Motivation Letter. 4) A proposal listing the work you intend to complete and its personal and institutional benefit.**

**Please send the application items to [iro@unyt.edu.al](mailto:iro@unyt.edu.al)**

**Financial Support:** Erasmus+ International Credit Mobility (ICM) programme is supported by a generous funding mechanism provided by the EU Commission. You will be receiving the grant agreement upon your nomination.

**About METU:** [METU](http://www.metu.edu.tr) is among the top-standing state universities in Turkey. Its mission is “to reach, produce, apply and promote knowledge, and to educate individuals with knowledge for the social, cultural, economic, scientific and technological development of the society and humanity. This is to be done by bringing teaching, research and social services up to universal standards.” The language of instruction is English.
